

**Webcast:**

# *Health Care Access after Spinal Cord Injury*

**Dr. Lee Saunders**

Research Assistant Professor, Medical University of South Carolina

The purpose of this presentation is to:

- Describe health care access after spinal cord injury.
- Assess secondary health conditions as a function of access to health care after spinal cord injury.
- Identify the extent to which black persons with spinal cord injury have equal access to health care compared to black persons in the general population.

**3:00 PM EST-4:00 PM EST  
Tuesday, May 29, 2012**
